## **Viewing Standards Scores for Past Grading Periods**

Teachers can view standards students scored during past grading periods. To do this, please follow these instructions:

1. Click on Students from the left side bar and then click Standards Progress.

DewerTeacher Pro								
Class	Student View							
A+	Assignments							
Grading	Standards Progress							
Students	Standards Scoresheet							
Progress	Comment Log							

2. Click on the settings gear in the upper right-hand corner and select Hide Term Comments.
