username: username@sau19.org
password: normal password
Then click the the App you wish to access.

Stay up to date with your grades and attendance. You can download the app on your personal device or sign in on a computer.
District Code: TQHG

Naviance is a comprehensive K-12 college and career readiness solution that helps districts and schools align student strengths and interests to postsecondary goals, improving student outcomes and connecting learning to life. Naviance is a tool that students and counselors will use. Students can find scholarships on this site as well.

Schoology is a learning management system used by all teachers. Here you will find important information, messages from teachers, and course assignments, as well as due dates. Students are expected to check their Schoology accounts regularly. On distance learning days, students are expected to complete assignments posted on Schoology.

Kaltura MediaSpace is a place to create, view, and share media content for your Courses. It is also the homepage for the GHS Grizzly Podcasts.

Check out the GHS virtual library! Here you are able to select books you would like to check out. The books chosen will be put on hold and then our librarians will deliver the books to the student's English classroom. Here you will also be able to find a variety of eBook's for your enjoyment. To access the library catalog, log into Schoology and then click on the Follett Destiny button on the left sidebar.

All students are given a school email. This is the email that teachers and school counselors will use to communicate with the student. Students are expected to check this email account. They can access the account by logging into their Outlook account via the directions at the top of this handout.

Microsoft Teams is used for virtual meetings, as well as for virtual classes on distance learning days. Teachers will post a Teams meeting link in their Schoology Courses when a distance learning day is announced.
