3. Once logged in, the default landing page will be the **Assignments** Page. For students in Middle or High School, this will have important information about your Upcoming, Recent, and Missing Assignments, as well as any Assignment Scores earned. If you click on an Assignment, it will take you directly to that Assignment.

Elementary students do not regularly complete online assignments in Schoology; therefore, this page may not display any information. On Distance Learning Days, if teachers add assignments with due dates in Schoology, they will be visible on this tab. Elementary students will need to click on the **Course Dashboard** tab to access their online Courses.
